## Partners

American Union Securities, Inc. has a client-centered service infrastructure that consists of strategic partnerships that span the range of services we offer. Our partners follow our lead in our consistent efforts to provide the highest quality, innovative, and easily accessible services, and design marketing and financial solutions to meet the requirements of each individual client.

**CONSULTING**

**Warner Technology & Investment Corporation** ("WTIC") provides international training and market consulting services. Warner is licensed with the Chinese government as an official host for Chinese government officials and business executives in the US. As part of the hosting process Warner also provides training programs to assist visiting Chinese officials and business executives with the transition of doing business and living in the US. These services would include market and product analysis, assistance with product distribution and distribution agreements, joint ventures, and introductions to strategic partners.
