Asensio Recognized for Short Selling Advocacy and Investor Protection.

As previously reported, asensio.com's current investigative research is part of a short selling advocacy and investor protection project.

Please review this Greentech Media article on LDK Solar Co., Ltd. to see how asensio.com's research helped provide invaluable information to the benefit of uninformed investors. ([Click here](http://www.asensio.com/data/press/293.pdf) to read the article)
